Kaunas University of Technology (KTU) Lithuania
- 1999 Sept. – 2003 June **Secondary education**
Kaunas University of Technology Gymnasium

Languages Lithuanian (mother tongue), English (fluent), Danish (moderate), German (basics)

Social skills and competences

Good professional communication skills gained while gathering requirements and designing full information system. What is more, I have much of practice due to many university-related projects and oral exams. Work and studies abroad gave the ability to adapt to multicultural environments very well. In addition, it made me good in team working but also well doing in leading a team to a desired goal.

Computer skills and competences

I am *excellent* in PHP, MySQL, MS Office, data modeling (UML and other); *good* in Java, C++, ASP .NET and MS SQL (VWD), IIS, C#, HTML, XML, XHTML, AJAX, JS, jQuery, CSS, WordPress, Concorde, FoxPro, Web services, Photoshop; *familiar* with Axapta, Delphi, Perl, Python, Illustrator, Flash.

Driving licence Category B

Additional information

I am friendly, smart and flexible. For the desired goal I can give all the energy that is necessary. I like challenges and deliriously take offered tasks. I can learn many new things very good and very fast!
